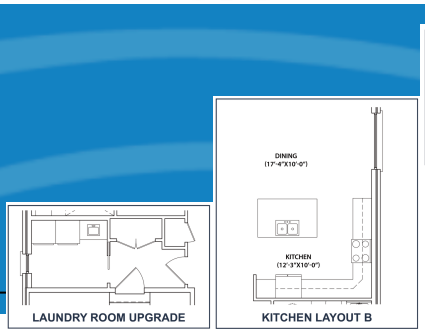
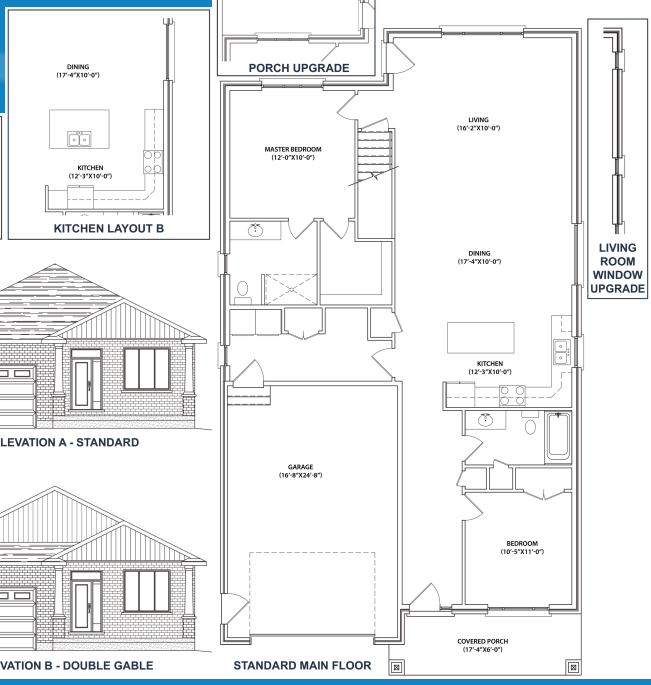
THE HARBOURSIDE

*The illustration shown includes exterior upgrades. For visual purposes only.

Bungalow
Main floor: 1556 sq ft
Garage: 442 sq ft
Porches: 274 sq ft
All models include unfinished basements.





You'll relish over the master bedroom and guest bedroom or perhaps the guest bedroom will become a study? Either way you'll choose the relaxing front porch. Maybe you'll select the back porch upgrade? The Harbourside offers a separate laundry room, and this model strikes the perfect balance between The Sands and The Sunset View.

Welcome Home.

The forever home you've been dreaming of

With a multitude of finishes and colours available to choose from, there's no reason for vour home to look like everyone else's.

At your doorstep

Incomparable views, stunning sunsets, fresh breezes. That's the real-life mural that awaits you.

With the lake to your west, there are still three other directions to explore right from your doorstep all within Ontario's West Coast!

The Prettiest Town in Canada is renowned for its Courthouse Square, the hub for farmers' markets, festivals, theatre, arts and crafts, and quaint local shops. Step back in history and uncover the stories and visit landmarks from the town's founding. Walkable and bike-able, Goderich is a destination year-round.

Within an hour's drive or so, you can journey along Lake Huron's coastline while stopping for fish and chips between jaunts. Idyllic communities line Highway 21 inviting you to pull off and experience their charm.

Inland to the east opens you up to a veritable bread basket of local markets and shops, and a growing brewery, winery and cider region. From theatre, to restaurants, to recreation, to conservation areas, there is a long to-do list that awaits you.

Where will you go first? Just a step out from your door!
